

ALLEN GERARD F. DIZON

UI/UX Designer & Web Developer

✉ dizon.allen.f.2177@gmail.com | 📞 +639624468414

📍 488 Bukangliwayway St. Candelaria, Macabebe, Pampanga 2018

EDUCATION

Bulacan State University | Malolos, Bulacan

Bachelor of Science in Information Technology

Specialization: Web and Mobile App Development

2020 - 2026 (Expected Graduation)

PROFESSIONAL EXPERIENCE

Virtual Assistant | Innovate Financials

January 2025

- Provided administrative support to clients with focus on digital documentation
 - Assisted with basic financial tasks and data management
 - Maintained organized communication and task tracking systems
-

TECHNICAL SKILLS

Design & Prototyping: - UI/UX Design (Expert in Figma) - Adobe XD, Sketch, Photoshop, Illustrator - User Research, Wireframing, Prototyping - Design Systems, Brand Identity - Responsive Web Design

Web Development: - HTML5, CSS3, JavaScript - React, Tailwind CSS, Bootstrap - Responsive Design, Cross-browser Compatibility - Git & GitHub Version Control

Programming Languages: - Python, Java, C++, C#

Mobile Development: - Java (Android Studio) - Mobile UI Design

Game Development: - Unity Game Engine, C#

Design Tools: - Microsoft Office Suite (Word, PowerPoint, Excel) - Canva, Figma, Adobe Creative Suite

Languages: - English (Fluent) - Filipino (Native) - Thai (Conversational)

FEATURED PROJECTS

CYBERPROTECT | Capstone Project - Web Development

<https://cyberprotectapp.vercel.app/>

- Developed a gamified cybersecurity education platform for high school students
- Implemented user authentication with Firebase and Gmail integration

- Created interactive learning modules with leaderboard and scoring systems
- Built responsive web interface with modern design principles

STEAP Tea Shop | *UI/UX Design - E-commerce*

Figma Prototype

- Designed elegant tea shop e-commerce website with calming earth-toned aesthetic
- Created interactive prototypes with smooth animations and micro-interactions
- Developed comprehensive design system including color palette and typography
- Focused on mindful user experience with curated product showcases

LOUNGE | *UI/UX Design - Fashion E-commerce*

Figma Prototype

- Designed modern clothing brand landing page with parallax animations
- Implemented minimalist aesthetic for seamless browsing experience
- Created interactive prototype showcasing smooth transitions
- Emphasized elegant, user-centered navigation design

PLAITS | *Mobile UI Design - Meal Planning App*

Figma Prototype

- Designed intuitive meal planner mobile application
- Created warm, earthy color scheme for approachable user experience
- Developed clean layout for effortless daily meal organization
- Focused on accessibility and ease of use

Escape Olympus | *2D RPG Game Development*

- Developed top-down RPG game using Unity and C#
- Implemented game mechanics, character movement, and enemy AI
- Created engaging gameplay experience with custom sprites

PocketLib | *Android Application Development*

- Built Android library management application using Java and SQLite
- Implemented database functionality for book cataloging
- Designed user-friendly interface in Android Studio

Kassandra Portfolio | *Web Development*

<https://kass-portfolio.vercel.app>

- Developed portfolio website featuring parallax design effects
 - Showcased skills, experience, and expertise through clean web design
 - Implemented responsive layout and smooth animations
-

CERTIFICATIONS & TRAINING

- **SpeakIT - Cracking the Code to Effective Communication (2024)**
-

CORE COMPETENCIES

Design Thinking: User Research • Information Architecture • Interaction Design • Usability Testing • Responsive Design

Development: Agile Workflow • Version Control • Web Performance • Cross-browser Compatibility • Debugging

Soft Skills: Time Management • Collaborative Teamwork • Adaptability • Problem Solving • Effective Communication • Market Trend Awareness

INTERESTS

Passionate about technology, digital tools, UI/UX trends, and continuous learning in design and development. Actively exploring latest design systems, web technologies, and user experience innovations.
